10 X 10 X 10 = 1000 System

Important: It would be helpful (but not necessary) to be online while reading this e-book.

Hi, and welcome to our 10 X 10 X 10 = 1000 system. Congratulations on your decision to obtain extra income in the shortest amount of time.

If you could use an extra \$1000 next month, then this is the ebook for you.

Knowing how valuable your time is, I will try to get right to the point. We have developed a system whereby individuals interested in extra income can do so without selling or getting another job.

Our system is simple:

- spend 10 minutes a day
- sending 10 emails
- yielding 10% return
- produces \$1,000 in 30 days or less

The math is easy. The task is easy. All that is needed is a product that would bring in such a yield.

In Scripture the number 10 represents the perfection of Divine order. The number 10 represents completeness of order; it implies that nothing is wanting; that the number and order are perfect; that the whole cycle is complete.

- Noah completed the antediluvian age in the tenth generation from God.
- The Ten Commandments contain all that is necessary, and no more than is necessary, both as to their number and their order.
- The Lord's Prayer is completed in ten clauses.
- The ten plagues were representative of the complete circle of God's judgments on Egypt.
- Abraham's faith was proved by a completed cycle of ten trials.
- And the list goes on...

All you are required to do is to send out 10 emails from your email address book that contains names of friends, family, and acquaintances. This task should not take no more than 10 minutes per day.

We provide the email. It is the "Is Your House Paid For?" email that you have received from us previously.

Recipients are more apt to read email because it is coming from a trusted friend, family member, or acquaintance.

Of the 10 emails that you send out each weekday at least 1 person (10% return) will respond and perform a complete financial makeover. For each of the individuals that perform a complete financial makeover you will receive a \$225.00 referral fee.

In one week you will have a total of 5 people performing a complete financial makeover bringing a total of \$1125.00 in referrals fees. It takes a couple of weeks to process each application so within 30 days your check will arrive at the address you provide.

There should not be any cost involved in this process. From the 10 emails that are sent each day, a 10% return will yield 1 referral per day, 5 referrals per week. **Here's the beauty of it all.** You can reach your goal in one week but we have imbedded redundancy in the system to ensure your windfall. Continue to spend 10 minutes a day sending out 10 emails with the proven 10% return for the next three weeks and you receive several paydays?

Sounds too good to be true. You're right. There is a catch. You must spend a couple hours to get familiar and comfortable with our system. To do this you will go to our website and perform a FREE financial analysis. Go through the same process that your friends, family, and acquaintances would use. You are not required to do a complete financial makeover. You only need to know the process and feel comfortable referring it. Remember, you do no selling. All you do is send an email. You become familiar with our system just in case someone asks. You should never refer something that you do not believe in whether you use the service or not.

That's all there is to it.

See page 7 for project timeline. You can begin at any time. Once you are comfortable with system, you are ready to start.

Frequently Asked Questions (FAQs)

Once I'm comfortable with contents of complete financial makeover, how do I start the 10 X 10 X 10 = 1000 system? Contact us at info@prosperityrenewal.org and we will send application. We must receive contact information for mailing of referral fees as well as independent contractor agreement.

It is possible for my referrals to be just starting or in the middle of a complete financial makeover. Will I still receive a referral fee for them even though it is past 30 days? Yes, you will receive referral fees for each person you refer up until 6 months after you began each new 30-day period. Because of privacy issues, we cannot divulge who does a complete financial makeover. In our weekly updates you will receive a list of those who have responded to your email but you will not know if they performed a complete financial makeover. We will send you a check based on the number of referrals but you will not know who. You can rest assured that we will keep our end of the deal because the emails you are sending are to friends, family and acquaintances. What will keep us honest is that these are your friends, family and acquaintances. They can be communicating with you at any time.

If I perform a complete financial makeover for my own finances will I receive a referral fee for it? No, you will not. Since you responded to our email to obtain this document we are the referral entity.

Can people I refer earn referral fees also? Yes, everyone is eligible for program. You will get a referral fee for them since you referred them. They will begin their own separate 10 X 10 X 10 = 1000 system. This is not a multi-level marketing program so you do not get a referral fee from your referral referrals.

Is there a cost to this system? No, there is no cost. You must have the ability to send and receive emails of course. This comes at a cost but we assume you already have this service.

Can I contact my friends, family, and acquaintances other than with emails? Yes, you can contact them via other methods. We try to keep system where it takes no money to spread the word. We have sample postcards, flyers, and business cards as well but there are copying costs related to these.

If any other questions or concerns arise feel free to contact us at the contact information listed below.
