

**You will never change your life
until you change something you do daily.**

**The secret of your success is found
in your daily routine.**

THE TRUTH ABOUT SUCCESS

To be successful, you don't need to be lucky or rich. But you do need to know this:

- **You are what you do daily.**
- **You first form habits; then your habits form you.**
- **It is just as easy to form habits of success as it is to form habits of failure.**
